NEMZETI KIBERVÉDELMI INTÉZET

Ikt.szám: 30700/0/5207-1/2021

Tárgy: elektronikus adat ideiglenes hozzáférhetetlenné tételének elrendelése

HIRDETMÉNY

A Nemzetbiztonsági Szakszolgálat Nemzeti Kibervédelmi Intézet Hatósági Főosztály hivatalból indított eljárásban 30700/0/5207/2021 iktatószámon határozatot hozott, amelyben elektronikus adatoknak 90 napra történő ideiglenes hozzáférhetetlenné tételét rendelte el.

A Hirdetmény **nki.gov.hu** oldalon történő közzétételének napja: **2021. április 1.**

Megállapításra került, hogy az elmúlt napokban tömegesen magyarországi mobiltelefonszámokra érkeznek olyan SMS-ek, amelyek az érintett honlapokra vezető linket tartalmaznak. Az érintett honlapok olyan kártékony kódokat tartalmaznak, amelyek egyrészt személyes és banki adatok megszerzését célozzák, másrészt a megfertőzött telefonokat is a kártékony SMS-ek továbbküldésére használják. További részletek az NKI által kiadott riasztásban az alábbi címen találhatóak: Riasztás csomagküldő szolgáltatók nevével visszaélő, káros kód terjesztéssel összefüggő SMS üzenetekkel kapcsolatban | Nemzeti Kibervédelmi Intézet (gov.hu)

A Mellékletben megjelölt honlapok, – a rajtuk található kártékony kódok miatt – az állami és önkormányzati szervek elektronikus információbiztonságáról szóló 2013. évi L. törvény (Ibtv.) 16/A.§ (1) bekezdésében foglaltak szerint a magyar kibertér biztonságára fenyegetést jelentenek és az üggyel kapcsolatosan az eseménykezelő központ biztonsági eseménykezelést folytat.

A fenti számú ügy irataiba a jogosultság igazolása esetén lehet betekinteni a Nemzetbiztonsági Szakszolgálat Nemzeti Kibervédelmi Intézetnél (1022 Budapest, Törökvész út 32-34.) előzetes telefonos egyeztetést követően (1-336-4840).

Budapest, 2021. április 1.
